Service

Briefing Outline

- Accessing DDRS-AFS
- SAAR Form Broken Down
- Software Requirements
- Hardware Requirements
- DDRS-AFS Information

Accessing DDSR-AFS

- The DDSR-AFS PMO Office must receive a completed System Authorization Access Request (SAAR) Form
- Fax the Form to Our Office at (703) 607-2126
Attn: Tim Bouquet or Denise White
- The DDSR-PMO Office will then provide you with a USER_ID and Password
- Security Administrator will assign appropriate roles.

SAAR Form Broken Down

- SAAR Form can be found at the DDRS Support Web Page:
https://dfas4dod.dfas.mil/systems/ddrs_ddrs_security_access.htm
- SAAR Form Broken Down:
 - Part I: New User to complete. New users must complete the Annual Information Awareness (AIA) Training. The employing agency is responsible for the AIA training.
 - Part II: Need Birthday, IP Address (Static or Range-Only if you are first user at the employing agency), and Supervisor's Signature. Generally, Non-DFAS employees receive read only access and Footnote Save Roles. The DDRS PMO Fills in numbers 21 and 22.
 - Part III: Need the employing Agency's Security Manager to complete this section.
 - Part IV: Skip
 - User needs to Include a signed copy of the DDRS Rules of Behavior (can be found at the website above).

Please see the blank SAAR Form provided
